FOR  
SOLE SOURCE PROCUREMENT**

**1. Authorization<sup>1</sup>**

- D.C. Code § 34-801
- D.C. Code § 34-804
- 15 D.C.M.R. § 3700

**2. Minimum Need:**

The Office of the People's Counsel requests the services of Goldblatt Martin Pozen, LLP (the Firm or GMP).

**3. Estimated Fair and Reasonable Price:**

**\$21,000**

**4. Facts That Justify a Sole Source Procurement:**

- A. The Office of the People's Counsel ("OPC" or "Office") is an independent agency of the District of Columbia government. By law, it is the advocate for consumers of natural gas, electric and telephone services in the District. District of Columbia law designates the Office as a party to all utility-related proceedings before the Public Service Commission. The Office also represents the interests of District ratepayers before federal regulatory agencies. The Office is authorized to investigate the operation and valuation of utility companies independently of any pending proceedings.

The law firm will provide legal advice and recommendations to the People's Counsel and the Deputy People's Counsel on variety of personnel related matters, including general employee and personnel matters, interactions with the District Office of Attorney General, DCHR, and other District and federal administrative agencies as needed and requested. GMP has already been providing these services for the last six months and the work is not complete yet.

B. Given their familiarity with the facts and circumstances involved with the issue of the OPC personnel the Firm is uniquely qualified to assist the Office of the People's Counsel to run the smooth operation.

C. It is for the reasons outlined herein; it is recommended that GMP's contract be modified on a sole source basis.

**5. Certification by the Contracting Officer:**

I hereby certify that the above facts are accurate and complete.
