

**DETERMINATION AND FINDINGS
FOR
SOLE SOURCE PROCUREMENT**

1. **Authorization**ⁱ

- DC Law: 34-804
- DC Law: 34-801
- 15 DCMR: §3700

2. **Minimum Need:**

The Office of the People’s Counsel requests membership in the National Association of State Utility Consumer Advocates (NASUCA), which represents the interests of utility consumers before state and federal regulators, and in the courts.

3. **Estimated Fair and Reasonable Price:**

\$10,693

4. **Facts That Justify a Sole Source Procurement:**

- A. The Office of the People's Counsel “OPC” is an independent agency of the District of Columbia government. By law, it is the advocate for consumers of natural gas, electric and telephone services in the District. District of Columbia law designates the Office as a party to all utility-related proceedings before the Public Service Commission. The Office also represents the interests of District ratepayers before federal regulatory agencies. The Office is authorized to investigate the operation and valuation of utility companies independently of any pending proceedings.
- B. NASUCA is a leading organization, uniquely dedicated to state utility consumer advocacy, with focus on consumer protection issues, including service quality, reliability and price stability. Also, it is distinctively known for providing a forum to exchange ideas, improve consumer representation at the state and federal levels, and encourage greater consumer participation in the regulatory process.

C. As NASUCA's focus is consistent with the mission of the Office of the People's Counsel, it is for the reasons outlined herein that it is recommended that a sole source contract be awarded to NASUCA.
